

New Light

Stan Walker

Tryna be the best that we can be
There's more to us than what we can see
If faith is believing, it's knowing and it's seeing
That love will bring the healing to you and me
Break these chains, make a stand, walk together hand in hand
When the sun rises tomorrow it's a new day again

New light, praying for a new light
I'll be standing by your side
You and I
New light, praying for a new light
I'll be standing by your side
You and I

In the dark, we find the light
In the dark, we are the light
In the dark, we find the light
In the dark, we are the light
In the dark, we find the light
In the dark, we are the light
In the dark, we find the light
In the dark, we are the light

All these questions who we pray to
But is it coming out of love
And if love is the answer
Then our words ain't enough
Got a long way to go
But I want you to know
You don't have to do it alone
Help me say
Got a long way to go
But I want you to know
You don't have to do it alone

New light, praying for a new light
I'll be standing by your side
You and I

In the dark, we find the light
In the dark, we are the light
In the dark, we find the light
In the dark, we are the light
In the dark, we find the light
In the dark, we are the light
In the dark, we find the light
In the dark, we are the light

So I'll stand, with arms high and heart abandoned
In awe, of the one who gave it all
I'll stand, my soul Lord to you surrender
All I am is yours
All I am is yours

I'll stand for you
Whenever you may fall
I'll stand for you

Ooh...

I'll stand for you
Whenever you may fall
I'll stand for you
I'll stand, I'll stand
I'll stand for you

I'll stand for you
Whenever you may fall
I'll stand for you
