

# Ordinary People

Stan Walker

Ooh, oh  
Ooh

Girl, I'm in love with you  
This ain't the honeymoon  
Past the infatuation phase  
Right in the thick of love  
At times, we get sick of love  
It's seems like we argue every day  
I know I misbehaved and you made your mistakes  
And we both still got room left to grow  
And though love sometimes hurts  
I'll still put you first  
And we'll make this thing work  
But I think we should take it slow

We're just ordinary people  
We don't know which way to go  
'Cause we're ordinary people  
Maybe we should take it slow, take it slow  
Whoa, whoa  
This time we'll take it slow, take it slow  
Oh, whoa, this time we'll take it slow

Maybe we'll live and learn  
Maybe we'll crash and burn  
Maybe you'll stay, maybe you'll leave  
Maybe you return  
Maybe another fight, maybe we won't survive  
Maybe we'll grow, you never know  
Baby, you and I

We're just ordinary people  
We don't know which way to go  
'Cause we're ordinary people  
Maybe we should take it slow, take it slow  
Whoa, whoa  
This time we'll take it slow, take it slow  
Whoa, oh  
This time we'll take it slow
