

We Will Rock You

Stan Walker

Baddy your boy make a big Noise
Playing in the street going to be a big man someday
Got mud on your face
You big disgrace
Kicking your can all over the place

We will we will rock you x2.

Buddy your a young man
Hard man shouting in the street
Gonna take on the world someday
Got mud on your face
You big disgrace
Waving your batter all over the place

We will we will rock you x3

Baddy your an old man poor man pay me with your eyes
Going to bring some peace someday
Got mud on your face
You big disgrace
Waving your batter all over the place

We will we will rock you x5.
