

## All I Want Is You

Starfield

I don't want fake, I'm tired of counterfeit  
all this plastic love, man I want none of it  
I don't want fake, I just can't take it anymore  
I won't be satisfied, until you are by my side

All I want is You, All I want is You  
I just can't live for another  
All I want is You

I won't be romanced, by any other love  
Cause' what I've got will always be enough  
I won't be romanced, I won't take the chance on any other love  
I won't be satisfied, until you are by my side

All I want is You, All I want is You  
I just can't live for another  
All I want is You
