

Rediscover You

Starfield

I need to just admit
my faith is paper thin
I'm feeling so burned out
On religion

I say an empty prayer
I sing a tired song
I need to just admit that the passion's gone

And I want to get it back

You told me
Look for You and I will find
So I'm here
Like I'm searching for the first time
Revive me, Jesus
Make this cold heart start to move
Help me rediscover You

I want to learn to pray
The way that David prayed
I want my soul to burn when I hear Your name
I want to feel like new
I want to hunger for you
Bring me back to life like only You can do
Cause I don't want to stay the same

You told me
Look for You and I will find
So I'm here
Like I'm searching for the first time
Revive me, Jesus
Make this cold heart start to move
Help me rediscover You

Lord, I want to be Yours today
I want to know the passion of the saints
And how they were changed

You told me
Look for You and I will find
So I'm here
Like I'm searching for the first time
Revive me, Jesus
Make this cold heart start to move

I want to burn for You
Bring me back to life, Jesus
Help me rediscover You
