

## 100, I Shute Pt. 2

Starlito

Forty in my sweatpants, yeah  
'cause I got 'bout forty in my sweatpants, and I ain't took no  
advance  
I just got a (shh), I'm 'bout to switch the address  
Just jumped out a rental, had a hundred in the armrest  
Fucked her on her lunch break 'cause she slid in my comments  
Yeah I used a condom, I got common sense  
I just made some extra, tryna reinvest it  
Had her and her bestie, drive me down to Texas  
Get a lot of money in Florida, I'll be down there next week  
Then jet to the west for the best weed  
One deep with that heat, yeah just me  
One deep with that, I'm with that  
If you can't hit me on my flipper I ain't speaking with you  
These lil niggas seem like they bite the hand that feed 'em qui  
cker  
Thought about beefin' with you, had to reconsider  
That shit ain't beneficial, I been official (one hundred)  
One hundred dollars worth of smoke, stuffed it in a swisher  
Hundred dollars for her throat, and then you kiss her  
Hundred dollars ten oh four, and I ain't missing  
A hundred suckers slick dissin', but I ain't listen  
Run through a hundred in ten seconds like its the Olympics  
Hundred shots in these two clips I taped up, anyone can get it  
I'm the type to spend a hundred, make a hundred fifty  
Then I make a hundred ten, it's profit, fuck it, I ain't trippi  
n'  
Tell all my hoes to rake them hundreds up but I ain't tippin'  
Was supposed to fly out early this morning, I got high and miss  
ed it  
She asked me what I want for Christmas, told her buy me a pisto  
l  
And I want a three way for my birthday, yeah you know I'm crazy  
And while you at it put a hundred on my homie's J-Pay  
I ain't slept in a week, and I ain't been home in eight days  
And I ain't on no vacation  
I may own a PlayStation but I ain't known to play games  
I just know that they lame, no I ain't gonna say names  
I ain't gonna say nothing but call my lawyer, I been known to t  
ake aim  
Nigga hundred I shoot  
Nigga fuck I look like runnin' from you?  
You either broke or stupid, one of the two  
  
If you're gonna be born and raised in this country, be an entre  
preneur  
Be an entrepreneur  
That's the greatest welfare system I know, is entrepreneurship

Well you know, I take a prostitute all around the world with me  
if I want to, long as I call her my secretary, it's a tax write-off

I mean, a business, we business people, we can go and buy all the booze we want to buy for lunch and a welfare mother would have trouble tryna get free apple juice for the baby, it's just so insane

But this country is set up for entrepreneurship, and if you not gon' be an entrepreneur you should leave
