

Alright

Starlito

Alright all right [X5]

Make [?]

This is precicely the kind of hype that I'm about

And I'm on it (burn one)

I'm so high of the life

I'm gonna need Some dro to help me come down tonight

I'm gonna need a ho but where I'm from we call them flights

I prefer them light bright

I'm so high of the life

I'm gonna need Some dro to help me come down tonight

I'm gonna need a ho but where I'm from we call them flights

I prefer them light bright

Wa -la!! I'm so throwed, I Went through my phone and called all my hoes

When on the pill anything goes

You know me I never trick my hoes

Don't indulge in what I sold

And that's why I stop selling Dro

Still got the pints for the low

Hey shawty stop at the store (to get a sprite)

She's like Starlito slow mo

[?]

Just my numb cocaine flow, she goes dumb with the brains oh [?]

I think she wanna fuck my clean Benz, say if its cool can she bring a friend

2 on 1 handicap match, three way like a Chris [?]

I'm so high of the life

I'm gonna need Some dro to help me come down tonight

I'm gonna need a ho but where I'm from we call them flights

I prefer them light bright

[X2]

So fly I'm on autopilot, so high I don't know how I'm driving

When I get dressed I boost my sky mileage, and all the rappers wan't my styl
ist,

I'm one of a kind my style is, probably the same reason the girl smilin

You don't do what? girl you childish., I'm droppin you back off, don't worry
bout it

She went from hard to get, to gettin it hard

And they hardly ever get to Star

Want me to pay for her pedicure, I'm like ok whatever sure

Knowing good and well ion like feet

Open minded girls I like freaks

Specially the ones that like me, same night I'm on flight three

I'm so high of the life

I'm gonna need Some dro to help me come down tonight

I'm gonna need a ho but where I'm from we call them flights

I prefer them light bright

[X2]

I prefer a fast car and drive slow

Smoke back to back until my eyes glow

Star in the game [?] no less survival, middle finger to the five' o
[?]
Just evidence that I gettin rent
Black leather mess my Jordans, she treats me better than her boyfriend
She says he's jealous and I see why, I understand you've got too lean back
She in love and I'm not even tryin, I ain't givin up no DNA for the CSI
No sprinklers could extinguish that, [?] purple rain in this weed fire? [?]
Attempted murder yet a decent try, but I keep my burner ain't no need to die
Not tonight

I'm so high of the life
I'm gonna need Some dro to help me come down tonight
I'm gonna need a ho but where I'm from we call them flights
I prefer them light bright
[X2]

It's Lito
It's Lito
And I'm on it
