

## Distracted

Starlito

They don't ever tell you 'bout the down side  
All the shit that go through a nigga mind when it's drought time  
Had to get a route, or it's lights out, couch outside  
Young nigga wasn't 25, gave him 25 better take ya time  
Did 6 years on a 20, walk down his lil sentence  
Whole time he was waiting for parole, all he talked about was how he was finished  
Don't get caught, yeah the lawyer fought, but this shit all about a conviction  
... Yeah you thought they ain't have no witness  
Got a masters degree from out the streets  
I was taught to have no feelings  
I can peep the cross from across the country  
These hoes will cross a nigga for pennies  
If You take 10, I don't care if it cost a nigga 20  
Off the nigga, fingers crossed, hope I don't get a life sentence  
I'm by TSU, at the Wendys  
Used to hit up campus every Wednesday  
And my phone been so fucking slow, got a nigga gambling with his enemies  
Gotta move smooth when you dealing  
They done tapped the bluetooth in the rental  
Man this shit a lose lose, 'cause I can't even tell who is who  
And it's killing me

Car full of smoke, hot boxing, I can't see straight  
Flying trying to get a cheesecake  
My lil freak say, I got the streets blazin'  
My nigga signed for some state papers  
Uncle say he got another court case  
I just took a loss, on some dope yay  
Rolling out the P, smoking grade A  
I ain't used a scale, since the 10th grade  
Sold mid, had a.38  
Did 30 days for that.38  
I was 16, I was 38 (Trap)  
Nowadays I get the lawyers paid  
Drought time I don't spend a thing  
Matching gucci shoes on my Dana Dane  
I'm just trying to stay afloat day to day  
Catching plays by the center stage, clear the parking lot and hit the stage  
400 dollar crease, spray it twice  
I remember when I couldn't afford a thing  
Catching uber, with a quarter thing  
Flexing on my ex with a quarter K  
Momma told me if I love her, wife her  
But I'm married to the game, I will never change  
Nigga all in go and get it

They'll help you spend the bag, bet they won't help you get it back  
I just had to send it back, I'm just glad it wasn't my last  
Its tampered with and they taxing, must think that I won't get the strap  
Most of them niggas rapping, didn't trap, don't get distracted

They'll help you spend the bag, bet they won't help you get it back  
I just had to send it back, I'm just glad it wasn't my last  
Its tampered with and they taxing, must think that I won't get the strap  
Most of them niggas rapping, didn't trap, don't get distracted

I won't let you spend shit baby, that ain't making no sense lady  
If it all fail, I could still go and weigh up 8 ball down at Nicky place  
I ain't never go insinuate, bet it all up on six and eight  
You ain't seeing straight, the blender over by the hot cakes  
Jimmy Choo, I'm on a outrage Yo lil bitch be cuttin sideways  
I'll bust this mother fucker any time I feel threatened  
I ain't asking why mane  
Lately I've been high as skyscrapes  
Got the juice, lemon lime game  
They'll spend it, but they wouldn't help you get it  
You can keep these people satisfied mane  
I ain't trying mane, I ain't lyin'

When the money gone, all the hoes leave  
And the fake friends, nigga don't need  
Be the same ones that run you hot  
Seen day 1's turn police  
Like a slow leak 'til your pockets flat  
I ain't even gotta cock it back  
Month straight, I'm in all black, with a Glock to match  
Where my choppa at?  
I ain't tolering no finesse play  
Ship mine the expressway, ASAP that next day  
Good in AZ with the SA's  
Two citations in the same day  
Hope my PO don't violate me  
Trap, I can tell you why they hating  
Cause they broke as hell can't buy an 8th (man, fuck them niggas)

They'll help you spend the bag, bet they won't help you get it back  
I just had to send it back, I'm just glad it wasn't my last  
Its tampered with and they taxing, must think that I won't get the strap  
Most of them niggas rapping, didn't trap, don't get distracted

They'll help you spend the bag, bet they won't help you get it back
