

Right Now

Starlito

Get ya mind right now

[Hook]

Its out here waitin for me, so why would I wait on it,
got to get out go get it, now is the time no times
better then right now just do it, life's to short can't
throw it away no tomorrow today is the day, life's to
short can't throw it away, right now just do it life's
to short can't throw it away no tomorrow today is the
day life's to short can't throw it away

[Verse 1]

Listening to these dumb ass rappers got you thinkin you
cool you need to take yo stupid ass to school, cut
grass, cut hair, get a trade work a tool, steady mo
makin babies you a muthafuckin fool, the people that
care enough to tell you right from wrong that you don't
listen to the same few comin to visit you, just filled
out the application even went to the interview well
call the corresponder before they get a chance to call
you, do something get off yo ass say you sellin grass
smokin all yo profit up beggin ah bitch to let you
crash (I know) man its fucked up bad luck you had
enough just know it was days when I ain't have enough
back was up against the wall slippers always count but
I get up like I meant to fall I'm so optimistic I might
tell ya I'm midget tall, if a brick fell out the sky
right now and landed in ya lap you prolly couldn't get
it off, get ya mind right now!

[Hook]

Its out here waitin for me, so why would I wait on it,
got to get out go get it, now is the time no times
better then right now just do it, life's to short can't
throw it away no tomorrow today is the day, life's to
short can't throw it away, right now just do it life's
to short can't throw it away no tomorrow today is the
day life's to short can't throw it away

[Verse 2]

I know speakin from the soul won't put me on and I
ain't pose to be on it but you gone have to tell it to
craig, I'm speakin on behalf of those Lupe Fiasco's and
half of my flows is on some intelligent shit, nigga
fronted me 14 grams 6 months later I was chippin in 12
on a brick (half of thang) same nigga that put me in
dope game was man enough to tell me to quit real shit,
got some studio equipment use what I was given a way
with words and a gift of fittin them in rhythm, first
song I recorded Alphabet Soup just so happen I
performed that song to show I do, A to Z, Z to A I can
spell it our for ya, had a dream I was booking shows
and I was sellin them out for ya, you with that dope
money, you with that common sense, clean that shit up
get straight for yo mama nem gone.

[Hook]

Its out here waitin for me, so why would I wait on it,
got to get out go get it, now is the time no times
better then right now just do it, life's to short can't
throw it away no tomorrow today is the day, life's to
short can't throw it away, right now just do it lifes
to short can't throw it away no tomorrow today is the
day life's to short can't throw it away

Aye homie life's to short
