

Alive in You

Stars Go Dim

Just a story from the start
Lived years with a failing heart
I was slowly growing cold
And I didn't even know
Had eyes but I could not see
Had breath but I could not breathe
Until Your hand revived
And brought me back to life
Blood rushed through my veins
Now everything has changed

Your love has called my name
Your grace has cut my chains
Cause a miracle it's true
I am alive in You
The old is dead and gone
My soul will sing this song
You're makin' all things new
I am alive in You
I am alive in You

I'm not who I have been
I'm not a slave to sin
Gonna live like I am free
Gonna live like I believe
Nothing stronger than Your love
It changes what You've done
Cause You are faithful forever

Your love has called my name
Your grace has cut my chains
Cause a miracle it's true
I am alive in You
The old is dead and gone
My soul will sing this song
You're makin' all things new
I am alive in You
I am alive in You

I'm finally alive, I'm alive
Your mercy has brought me new life
I'm finally alive, I'm alive
Your mercy has brought me new life
I'm finally alive, I'm alive
Your mercy has brought me new life

Blood rushed through my veins
Now everything has changed

Your love has called my name
Your grace has cut my chains
Cause a miracle it's true
I am alive in You
The old is dead and gone
My soul will sing this song
You're makin' all things new
I am alive in You

Called my name
I am alive in You
Your grace has cut my chains
I am alive in You
The old is dead and gone
I am alive in You
I am alive, I am alive in You

I am alive in You [x8]
