

# God Is For Us

## Stars Go Dim

Every time I'm critical  
Every time at the end of my rope  
Every time You're faithful  
Every time You're giving me hope (Oh)  
Every time at the end of my rope (Oh)  
Every time You're giving me hope

We believe in things we cannot see  
Cause we've seen You do what we can't believe

If God is for us, for us  
Don't have to be afraid, don't have to be afraid of  
Dangers, dangers  
Nothing can separate, nothing can separate or  
Change us, change us, change us  
If God is for us, for us  
Who can be against us?

Take me to the front lines  
Take me to the limits unknown  
Take me to the paradise  
I only find with You in control (Oh)  
Take me to the limits unknown (Oh)  
I only find with You in control

We believe in things we cannot see  
Cause we've seen You do what we can't believe

If God is for us, for us  
Don't have to be afraid, don't have to be afraid of  
Dangers, dangers  
Nothing can separate, nothing can separate or  
Change us, change us, change us  
If God is for us, for us  
Who can be against us?

Walking through the fire, walking through the rain  
Doesn't even matter if it's joy or pain  
I could be alive or minutes from the grave  
Who can be against us?

Walking through the fire, walking through the rain  
Doesn't even matter if it's joy or pain  
I could be alive or minutes from the grave  
Who can be against us?  
(Who can be against us?)

If God is for us, for us  
Don't have to be afraid, don't have to be afraid of  
Dangers, dangers  
Nothing can separate, nothing can separate or  
Change us, change us, change us  
If God is for us, for us  
Who can be against us?

Who can be against us?  
Who can be against us?
