Stars Go Dim

A life is shorter than I think that it should be
Seeing ones I love taken from me
It's the hardest thing, the hardest thing
I, I can't help but wonder where you are
Do you see me crying in my car?
It's the hardest thing, the hardest thing

Here in the middle of a broken heart
Here where everything's falling apart
You come close when the tears are fallin'
Hear all the prayers every children callin'
Here in the middle of the darkest day
Here when there are no words to say
Even when the answers are unclear
Jesus, You are here

You, workin' ways I've never understand
But I believe You hold us in your hands
So I trust You, I trust You

Here in the middle of a broken heart
Here where everything's falling apart
You come close when the tears are fallin'
Hear all the prayers every children callin'
Here in the middle of the darkest day
Here when there are no words to say
Even when the answers are unclear
Jesus, You are here

You're holding me, You're showing me
That Your love will never leave
