

It amazes me how you are
So simply beautiful
And it amazes me how i am
The one that is, the one that holds your heart

And i don't deserve you
But you won't ever hear me complain
A day never goes by
Without you amazing me

And i love the way that you love me
The way that you dance without a care
And i cant get enough of your sweet lips
Everything about you is so, so incredible
So incredible

There's something about the way that you love me, baby
That makes me feel alive
And i cant get over the feeling
Knowing that i get to spend the rest of my life with you

And i don't deserve you
But you won't ever hear me complain
A day never goes by
Without you amazing me

And i love the way that you love me
The way that you dance without a care
And i cant get enough of your sweet lips
Everything about you is so, so incredible

And i couldn't see my life without you, now
I'm so faithful

I love the way that you love
(Love the way you love me)
The way that you dance without a care
(The way that you dance)
And i cant get enough of your sweet lips
(Oh, cant)
Everything about you is so, so incredible

I love the way that you love me
The way that you dance without a care
(You dance without a care)
I love the way that you love me
I love the way you love me
Your so incredible
Your so incredible
Oh, yeah.
