

Love Gone Mad

Stars Go Dim

I'm taken back from the words you said
That you don't know if you can love me anymore
I can't believe that my worst fear
Has come true and I don't know what to do
And I don't wanna live this life alone

But I don't wanna lose you
And I don't wanna hurt you anymore
'Cause everytime I do I get a hole
inside of me,
And how can I prove to you
now that I can change
'Cause after all I put you through I
know that I'm to blame
And how could I ever let this
Love gone mad

I'm sure you've known that it would
come to this
I've taken you for granted
I've been doing you so wrong
It's safe to say that I deserve this
Yeah I do, but I hope that it's not
too late to turn this life right back around

'Cause I don't wanna lose you
And I don't wanna hurt you anymore
'Cause everytime I do I get a hole
inside of me,
and how can I prove to you
Now that I can change
'Cause after all I put you through I
know that I'm to blame
And how could I ever let this
Love gone mad

Yeah yeah yeah...
And the sun doesn't shine on the cloudy days
And the rain will fall down on me like a full hurricane
And if this is the start of a life without you
Then I pray that the waves will come and carry me away

'Cause I don't wanna lose you
And I don't wanna hurt you anymore
'Cause everytime I do I get a hole
inside of me,
and how can I prove to you
Now that I can change
'Cause after all I put you through I
know that I'm to blame
And how could I ever let this
Love gone mad
