

Point Of No Return

Starset

There's a memory of how we used to be
That I can see through the flames
I am hypnotized as I fantasize
Forgetting lies and pain
But I can't go back

The ashes call my name

Pouring the fuel, fanning the flames
Breaking the habit and melting the chains
Embracing the fear, chasing the fight
The glow of the fire will light up the night
The bridges are burning, the heat's on my face
Making the past an unreachable place
Pouring the fuel, fanning the flames
I know, this is the point of no return

It's uncontrollable
Such a beautiful desire
There's something sinister about the way it hurts
When I watch it burn
(Higher and higher)
Because I can't go back

The ashes call my name

Pouring the fuel, fanning the flames
Breaking the habit and melting the chains
Embracing the fear, chasing the fight
The glow of the fire will light up the night
The bridges are burning, the heat's on my face
Making the past an unreachable place
Pouring the fuel, fanning the flames
I know, this is the point of no return

I won't turn around
I won't turn around
I won't turn around

Pouring the fuel, fanning the flames
Breaking the habit and melting the chains
Embracing the fear, chasing the fight
The glow of the fire will light up the night
The bridges are burning, the heat's on my face
Making the past an unreachable place
Pouring the fuel, fanning the flames
I know, this is the point of no return

This is the point of no return
This is the point of no return
