## Statik Selektah

Check check 1, 2  
Listen up 1, 2  
Check me out, check me out, yo

From 42nd Street Shuttle to the last stop like Shuttlesworth  
Huddle I serve, just might cuddle your Earth  
To pass it off to the goonies, sliding off from the hood to the boonies  
Leaving rug burns on your boo's knees  
Dust bunny, send her home with a stoge and bus money  
Chickens, they don't get nothing from me  
Only donate to a foundation for cleft lips  
And this one chick I nicknamed her coochie Death Grip  
Shawty used a loanshark out in Ozone Park  
Her mouth was a Woodhaven  
I'm slaving, catch me on tour, I'm OT, B  
You at OTB, losing your life savings, spending a G  
Real calm, I ain't gotta spazz  
I stay cool, calm and collected, a lot of cash  
If you dumb to come test  
I get you buck 50'd by a dyke that look like Mannie Fresh

Vacay in St. Maartens and Arubas  
And I still do this for my hood boogers  
Who don't know what an Uber is  
After Denali, pull up in a sixth series in Cali  
Show off like a series finale  
Used to take the train home, every day was the warriors  
Now I ain't gotta say what my story is  
I'm with a Laureates, name went from ringing no bells  
Now it's like Nobel's, retire the mic  
Shut up, I'm tired of writing  
It's just like beating on desks in lunch period  
Schemes, I got a myriad, the game I'm 'bout to marry it  
Still witty, might have been lacking in terms of visibility  
But was no doubting his ability  
Now that you can see me, you still can't see me  
Being rappers is like being girls, they tryna G me  
My first show I shoulda put on a mask  
Still killed them either way, kept my foot on the gas

I had to learn my own way  
Step by step and day by day, ow  
I had to learn my own way  
Step by step and day by day, ow  
No, no, oh  
What I'm tryna say dear darling  
If you gotta find your own way outta here  
There's a lot of hustlers  
Lot of pimps  
And we just tryna find our way through it baby  
Yeah, oh  
I had to learn my own way  
Step by step and day by day, ow  
I had to learn my own way  
Step by step and day by day, ow

It's easy not to be considered a hood booger

Just don't fuck dudes in the same circle, ma, c'mon  
Aw, man, your lucky 7's more like a lucky 70 bodies
