

When i fall asleep  
I start to dream my dreams  
When i fall asleep  
loosin' attention!!  
Every morning want to know  
what goes on behind the Wall

Want to know what happend behind the Wall

Laj lullaby!

other day, this week  
I just want to save my dreams  
other day, this week  
loosin' attention!!  
Every morning want to know  
what goes on behind the Wall

Want to know what happend behind the Wall

Laj lullaby!

Hey, in this day, it is bad, that i forgot my dreams  
another night to try to do, dream allnight  
Want to get them back, my dreams  
Nightmares And other dreams of this Freak  
Want to save  
Want to save my dreams  
In this day, i say  
In this day  
Want to save my dreams
