

Don't Mind If I Do

Status Quo

Don't mind if I do, don't mind if I
Don't care much at all, can't think that much
I'm climbing the walls, losing my touch
You don't give a damn

When you are out there on your own
Saying you can't find your way home
Do you think you know what is real?
And do you know what you want from me?
I'm being the best that I can be
Now I know nothing feels the same

Don't mind if I do, don't mind if I
Don't care much at all, can't think that much
I'm climbing the walls, losing my touch
I'm all in a jam
I don't lie to you, I don't need to
I won't cry for you, I don't feel to
Don't you cry to me, I've seen through you
You don't give a damn

Can I be honest with you now?
I'm feeling a fool again somehow
Maybe I should be moving on.

Don't mind if I do, don't mind if I
Don't care much at all, can't think that much
I'm climbing the walls, losing my touch
I'm all in a jam
I don't lie to you, I don't need to
I won't cry for you, I don't feel to
Don't you cry to me, I've seen through you
You don't give a damn

Take it or leave it seems to be
The only way open left for me
Should I be feeling how I feel?

Don't mind if I do, don't mind if I
Don't care much at all, can't think that much
I'm climbing the walls, losing my touch
I'm all in a jam
I don't lie to you, I don't need to
I won't cry for you, I don't feel to
Don't you cry to me, I've seen through you
You don't give a damn
