

Don't Stop

Status Quo

If you wake up and don't wanna smile
If it takes just a little while
Open your eyes, look at the day
You'll see things in a different way

Don't stop thinking about tomorrow
Don't stop, it'll soon be here
It'll be here better than before
Yesterday's gone, yesterday's gone

Why not think about the times to come
And not about the things that you've done
If your life was bad to you
Just think what tomorrow will do

Don't stop thinking about tomorrow
Don't stop, it'll soon be here
It'll be here better than before
Yesterday's gone, yesterday's gone

All I want is to see you smile
If it takes just a little while
I know you don't believe that it's true
I didn't mean any harm to you

Don't stop thinking about tomorrow
Don't stop, it'll soon be here
It'll be here better than before
Yesterday's gone, yesterday's gone

Don't stop thinking about tomorrow
Don't stop, it'll soon be here
It'll be here better than before
Yesterday's gone, yesterday's gone

Oooh, don't you look back
Oooh, don't you look back
Oooh, don't you look back
Oooh, don't you look back
