

I Don't Remember Anymore

Status Quo

I don't remember anymore
I woke up freezin on the floor
My head was buzzin like a saw
I don't remember anymore

She stole the bottle then she said
Your eyes were blue and now they're red
I think i'll carry you to bed
I don't remember anymore

I wanna rock and roll, wanna sell my soul
Sail the tv round the swimming pool
I want my name in lights a la johnny b. goode
Be an all night loon like a ronnie wood

Don't read the writing on the wall
Cos if i'm having me a ball
I stand around till i fall
And don't remember anymore

I wanna rock and roll, wanna sell my soul
Sail the tv round the swimming pool
I want my name in lights a la johnny b. goode
Be an all night loon like a ronnie wood

She stole the bottle then she said
Your eyes were blue and now they're red
I think i'll carry you to bed
I don't remember anymore

I wanna rock and roll, wanna sell my soul
Sail the tv round the swimming pool
I want my name in lights a la johnny b. goode
Be an all night loon like a ronnie wood

Don't read the writing on the wall
Cos if i'm having me a ball
I stand around till i fall
And don't remember anymore

I don't remember anymore
I don't remember anymore
I don't remember anymore
I don't remember anymore
