I don't remember anymore
I woke up freezin on the floor
My head was buzzin like a saw
I don't remember anymore

She stole the bottle then she said Your eyes were blue and now they're red I think i'll carry you to bed I don't remember anymore

I wanna rock and roll, wanna sell my soul Sail the tv round the swimming pool I want my name in lights a la johnny b. goode Be an all night loon like a ronnie wood

Don't read the writing on the wall Cos if i'm having me a ball I stand around till i fall And don't remember anymore

I wanna rock and roll, wanna sell my soul Sail the tv round the swimming pool I want my name in lights a la johnny b. goode Be an all night loon like a ronnie wood

She stole the bottle then she said Your eyes were blue and now they're red I think i'll carry you to bed I don't remember anymore

I don't remember anymore
I don't remember anymore
I don't remember anymore
I don't remember anymore
