

## Long Legged Linda

Status Quo

Well, if you're ever in Los Angeles  
And you've got time to spare  
Take a stroll up Sunset Boulevard  
You'll find the Whiskey there  
Gliding round the tables  
With wondrous natural ease  
Serving two-star brandy  
Is the body you have to see...all belonging to

Long-legged Linda  
She sure was worth the flight  
Long-legged Linda is playing the Whiskey  
Tonight

Oh don't boogie-woogie with Linda  
'Tho she dances like a dream  
She acts like she's a thousand  
But she's barely sweet sixteen  
She re-arranged my brain-cells  
And took control of me  
So if I miss my plain to Jacksonville  
You can guess where I'll still be...I'll be diggin'

Long-legged Linda  
She sure was worth the flight  
Long-legged Linda is playing the Whiskey  
Tonight

She re-arranged my brain-cells  
And took control of me  
So if I miss my plain to Jacksonville  
You can guess where I'll still be...I'll be diggin'

Long-legged Linda  
She sure was worth the flight  
Long-legged Linda is playing the Whiskey  
Tonight

Long-legged Linda  
She sure was worth the flight  
Long-legged Linda is playing the Whiskey  
Tonight

Long-legged Linda  
Long-legged Linda  
Long-legged Linda  
Long-legged .....
