

# One Man Band

## Status Quo

When I'm talkin' nothing's getting through  
If I'm screaming it's never clear to you  
Can you hear me , am I wasting my time  
Am I working in a one man band

When I'm lookin' straight into your eyes  
Is there anyone home , you're tellin' me lies  
Listen to me , are you wasting my time  
It's lonely in a one man band  
Lonely in a one man band

Words out of line , don't ever hurt you  
Forever crying trying to turn you around

Woh oh oh oh  
Woh oh oh oh  
Woh oh oh oh  
Woh oh oh oh

Anticipating what you're gonna do  
Still waiting for a sign from you  
Come together or we're wasting my time  
And I'll always be a one man band  
I'll always be a one man band  
It's lonely in a one man band

Woh oh oh oh  
Woh oh oh oh  
Woh oh oh oh  
Woh oh oh oh
