

Black Fall

Steak Number Eight

It's alright
It will drip tonight
This should end my fight

It's alright
It will drip tonight
This should end my fight

'Cause tonight I would take this flight
This should bring me the light
I can't wait because you are already inside

Black fall

Because tonight I would take this flight
This should bring me the light
I can't wait because you are already inside

Black fall
Black fall (3x)
