

## Blood On Our Hands

### Steak Number Eight

We have to fight with blood on our hands  
We have to fight with blood on our hands  
We have to fight with blood on our hands  
We have to fight with blood on our hands

We have to fight with blood on our hands  
We have to fight with blood on our hands

You fall  
With you on my side  
With you on my side  
With you on my side

You fall  
With you on my side  
With you on my side  
With you on my side

You on my side
