

The Sea Is Dying

Steak Number Eight

We have to fight with blood on our hands
We have to fight with blood on our hands
We have to fight with blood on our hands
We have to fight with blood on our hands

We have to fight with blood on our hands
We have to fight with blood on our hands

You fall
With you on my side
With you on my side
With you on my side

You fall
With you on my side
With you on my side
With you on my side

You on my side
With you on my side
