

Twinkle Twinkle Little Star

Steam Powered Giraffe

Twinkle, oh twinkle, you are my little star
How I wonder what you are
Up above the world so high, like a diamond in the sky
Twinkle, oh twinkle, you are my little star
How I wonder what you are

Twinkle, oh twinkle, you are my little star
How I wonder what you are

Up above the world so high, like a diamond in the sky
Twinkle, oh twinkle, you are my little star
How I wonder what you are

When the blazing sun is gone
When he nothing shines upon
Then you show your little light
Twinkle, twinkle, all through the night
Twinkle, twinkle, little star
How I wonder what you are

When the blazing sun is gone
When he nothing shines upon
Then you show your little light
Twinkle, twinkle, all through the night

Twinkle, oh twinkle, you are my little star
How I wonder what you are
