

Can't Stop Me Lovin' You

Steelheart

I remember the days when our lives were so complete
We had each other, love was all we would need
But now you have changed since the first day that we met
You found a lover, it's me you want to forget

You tried to tell me our love was in vain
I'm a victim of your love babe, and you're to blame

You can't stop the rain from fallin'
You can't stop sun shining through
'Cause I'll be there forever holdin'
You can't stop me lovin' you

Now that you're gone, life is empty and cold
Oh how I miss having you to hold
My nights are sleepless, I'll never be the same
Living without you I'm going insane

And as I sit here wipin' tears from my eyes
How can I make you come to realize

You can't stop the rain from fallin'
You can't stop sun shining through
'Cause I'll be there forever holdin'
You can't stop me lovin' you

Well I'll be here, ready and waiting, waiting to love you
Everything that I do reminds me of you, you can't stop me from
lovin' you

Can't stop the rain from fallin'
Can't stop sun shining through
'Cause I'll be there forever holdin'
You can't stop me lovin' you

Oh, you can't stop the rain from fallin'
You can't stop sun shining through
'Cause I'll be there forever holdin'
You can't stop me lovin' you
