

Jesus Loves You

Stellar Kart

Tell me what do you believe in
Does your life have rhyme or reason
Something in your heart that makes you care
I hope that you don't mind me asking
But I have got a burning passion
I need to know forever you'll be there

I can't make it clearer
Put it any other way
If you can't see the simple truth I do
Then there's nothing in this world that's left to say
But Jesus loves you

I know I don't have all the answers
And I have wasted many chances
To prove to you a faith that lives inside
I'm praying there will be a breakthrough
Cause I can't be the one to save you
God knows how many times I've tried

I can't explain
But I can't deny
So many times for you I've cried
And to see you on your knees tonight

I can't make it clearer
Put it any other way
To know you know simple truth I do
And to know that your forever has been changed
Cause Jesus loves you
