stellar\*

Pretty violent  
Runners up in a casualty  
Lost all common sense  
Both parties call victory  
One delusional than there's me

Pretty violent  
Making up with an i.o.u.  
Could have circumvent  
From a passerby point of view  
What's a carnivore spouse to do?

You're making me violent but why?  
Your nihilistic tendencies are making me  
Violent that's why you're nihilistic

Harmony  
Living in harmony  
I want you honestly  
Living in spite of me
