Keep dancin' to the music  
Dancin' to the top, makes my body hot  
Dancin' with my fellow, my fellow  
Or by myself, don't bother me  
Dance sets me free

I can't do [?] a thing  
Dancing, it makes my heart sing  
Out there on the floor  
Where the fellas come for more  
Feels so good

Sweet mellow music  
Hearin' the sound  
Turns my head around  
(I wanna dance...)  
Havin' a ball  
Come on, y'all!

You got to keep your body movin'  
Sendin' out an S.O.S  
Concentrate on what you're doin'  
You got to believe that you're the best

I can't do, [?] nothin' that I'd rather do  
I got to be out on the floor  
Where the fellas come for more  
Hits the groove

Sweet mellow music  
Hearin' the sound  
Turns my head around  
(I wanna dance...)  
Havin' a ball  
Come on, y'all!
