

# The Same Old Tears On A New Background

Stephen Bishop

It's the same old tears on a new background  
Seeing you as a fading photograph  
It hurts too much to laugh these days

But I'm all right  
Yes, I'm all right  
I'm all right

It's the same old song with a new melody  
This old candle's lingering flame is almost gone  
To see you again is all that keeps me hangin' on

But I'm all right  
Yes, I'm all right  
I'm all right

Remembering, remembering  
The familiar heartache  
Well no one but you  
Could ever make this dream come true

It's the same old me crying the same old tears  
And I walk away like I always do  
Still in love with you

But I'm all right  
Yes, I'm all right  
I'm all right

I'm all right  
Yes, I'm all right  
I'm all right
