

She Belongs To All

Stephen Duffy

She belongs to all, she talks as she undresses
The love that she expresses when nothing can be said
Pennies in a stream, my love songs unrequited
And all the dicks you slighted are at your door

I won't erase your teenage writings from my wall
Where you wrote, love is all, you meant it you know you did
Where others see the mother of another child
I still see, your eyes ablaze and wild outside your faculty

She belongs to all, among the facts and fictions
The crutches and addictions of everyday
Even in the grey, solar energy is transmuted
The one thing that can't be disputed is on its way

I won't erase your teenage writings from my wall
Where you wrote, love is all, you meant it you know you did
Where others see the mother of another child
I still see your eyes ablaze and wild, outside your faculty

L'amour est tout, je te jure, monsieur

I won't erase your teenage writings from my wall
Where you wrote, love is all, you meant it you know you did
Where others see the mother of another child
I still see your eyes ablaze and wild, outside your faculty
