

# Sunshine

Stephen Jerzak

You took a piece of my heart and you gave it away  
You had me right from the start cause I thought you were going to stay  
And I should have taken the chance but you left way too fast

And I was lucky to get the time of day from you  
And it's such a shame to see a view like this  
Without us laying in the grass, in the sunshine  
Why don't you show me your sign?  
And I'm already feeling alright tonight

I took a piece of your heart and I kept it with me  
I had you right from the start cause you knew I was not gonna leave  
You should have taken the chance but you left way too fast

And I was lucky to get the time of day from you  
And it's such a shame to see a view like this  
Without us laying in the grass, in the sunshine  
Why don't you show me your sign?  
And I'm already feeling alright tonight  
I'm feeling alright

Was it something I said?  
Was it something I did?  
Cause I'm sorry if I am the reason I made you mad  
Thinking of somebody other than you  
But now I can see that you were never here for me (2x)

You took a piece of my heart and you gave it away  
You had me right from the start cause I thought you were going to stay  
And I should have taken the chance but you left way too fast

And I was lucky to get the time of day from you  
And it's such a shame to see a view like this  
Without us laying in the grass, in the sunshine  
Why don't you show me your sign?  
And I'm already feeling alright tonight
