

Superhero

Stephen Lynch

If I could be a superhero, I would be Awesome Man
I'd fly around the world fighting crime,
according to my awesome plan

And if I saw criminals trying to lie
Hurting other people, and making them cry
I'd haul them off to jail in my awesome van
'Cause I would be Awesome Man

If I could be a superhero, I would be Drug Free Boy
Telling the world of the evils of drugs
And all of the lives they destroy

And I'd take all the junkie, he's getting so high
Their needles and bongos and their sticks made of tie
As i burned them alive, I would squeal with joy
'Cause I would be Drug Free Boy

If I could be a superhero, I would be Immagrations Dude
I'd send all of the foreigners back to their homes
For eating up all of our food

And taking our welfare and best jobs to boot
Like landscaping, dishwashing, picking our fruit
I'd pass a lot of laws to get rid of their brood
'Cause I'd be Immagrations Dude

If I could be a superher, would you be Justice Guy
Making sure people get what they deserve
Especially women who lie

Like if a wife leaves her husband with three kids and no job
To go off to fuckin' Hawaii with some doctor named Bob
You could skin them and drain them of blood so they'd die (espe
cially Bob)
Then you would be Justice Guy

Could you be more suddle (hah) I didn't mean to be vague
Have you heard of Mad Cow Disease let him die of the plague
As long as they'd both suffer for their terrible crimes (especi
ally Bob)
Then you would be Justice Guy

Yes then, you would be,
A superhero like me!
