

Pretty Lady

Stephen Sondheim

Pretty lady in the pretty garden, can't you stay?
Pretty lady, we got leave and we got paid today
Pretty lady with a flower
Give a lonely sailor half an hour
Pretty lady, can you understand a word I say?
Don't go away Pretty lady, you're the cleanest thing I've seen all year
Pretty lady, you're enough to make me glad I'm here
Pretty lady, how about it?
Don't you know how long I been without it?
Pretty lady in the garden, what you say?
Can't you stay? Hey, wait, don't go yet
Pretty lady with the pretty bow
Please don't go, it's early
Won't you walk me through your pretty garden?
Pretty lady, look, I'm on my knees
Pretty please
Pretty lady, could I hear you laugh?
I ain't heard a lady laugh in who knows how long
I'll sing a song for you
Tell you tales of adventuring, strange and fantastical
Pretty lady, I ain't never been away from home
Pretty lady, beg your pardon

Won't you walk me through your pretty garden?
Pretty lady, look, I'm on my knees
Pretty please
Pretty lady, I'm a million miles from Stepney Green
You are the softest thing I ever seen
Stay with me please, I been away so long
Don't be afraid, hey
No, listen, pretty lady, beg your pardon
Won't you walk me through your pretty garden?
Pretty lady, look, I'm on my knees
Pretty please

Pretty lady in the pretty garden, won't you stay?

Pretty lady, we got leave and we got paid today

Pretty lady with a flower

Give a lonely sailor half an hour Pretty lady in the pretty garden, won't you stay?

Why can't you stay?

Pretty lady in the pretty garden, won't you stay?

I sailed the world for you!

Pretty lady in the pretty garden, won't you stay?

Don't go away!
