

Complete

Stephen Speaks

If I lay my voice down at Your feet
would you still hear my song echoing
I might end this game of hide and seek
because in You

I am complete
oh in You
I am complete

All the voices i hear in my sleep
all the sins of my past echoing
to stay off my knees and on my feet
oh but they,
they can't complete
cause in You I am complete

Ohhhhhhhhhh.....
Ohhhhhhhhhh.....
Ohhhhhhhhhh.....
Ohhhhhhhh.....

I am complete (5x)
If I lay my voice down at your feet
