Stephen Speaks

When I first met you
That is when I knew
This would be a long road home

When I crawled into your head
That is when I said
With you I want to grow old

'Cause you're everything I want
Baby, you are everything I need inside of me
You're everything I love
And I just want to be, want to be with you, yeah

When I looked into your heart
I knew right from the start
That I wanted you to be mine

When at first I saw your smile
I would crawl a mile
Just to see it one more time

'Cause you're everything I want
Baby, you are everything I need inside of me
You're everything I love
And I just want to be, want to be with you, yeah

It's true
I want to be with you
I know
We will never be, never be alone, no

And I just want to find
A way to make you mine
Oh now, one more time

'Cause you're everything I want
Baby, you are everything I need inside of me
You're everything I love
And I just want to be, want to be with you, yeah

It's true
I fell in love with you
I know
We will never be alone
