

Love the One You're With

Stephen Stills

If you're down and confused
And you don't remember who you're talking to,
Concentration slips away
Cause you're baby is so far away

Well there's a rose in the fisted glove
And the eagle flies with the dove
And if you can't be with the one you love honey
Love the one you're with, Love the one you're with,
Love the one you're with, Love the one you're with.

Don't be angry, don't be sad
Don't sit crying over good times you've had
There's a girl right next to you
And she's just waiting for something to do

Well there's a rose in the fisted glove
And the eagle flies with the dove
And if you can't be with the one you love honey
Love the one you're with, Love the one you're with,
Love the one you're with, Love the one you're with.

Love the one you're with, Love the one you're with,
Love the one you're with, Love the one you're with,

Turn your heartache right into joy
Cause she's a girl and you're a boy
Get it together, make it nice
You ain't gonna need anymore advice

Well there's a rose in the fisted glove
And the eagle flies with the dove
And if you can't be with the one you love honey
Love the one you're with, Love the one you're with,
Love the one you're with, Love the one you're with.
