Love the One You're With

Stephen Stills

If you're down and confused And you don't remember who you're talking to, Concentration slips away Cause you're baby is so far away

Well there's a rose in the fisted glove
And the eagle flies with the dove
And if you can't be with the one you love honey
Love the one you're with, Love the one you're with,
Love the one you're with, Love the one you're with.

Don't be angry, don't be sad Don't sit crying over good times you've had There's a girl right next to you And she's just waiting for something to do

Well there's a rose in the fisted glove
And the eagle flies with the dove
And if you can't be with the one you love honey
Love the one you're with, Love the one you're with,
Love the one you're with, Love the one you're with.

Love the one you're with, Love the one you're with, Love the one you're with, Love the one you're with,

Turn your heartache right into joy Cause she's a girl and you're a boy Get it together, make it nice You ain't gonna need anymore advice

Well there's a rose in the fisted glove
And the eagle flies with the dove
And if you can't be with the one you love honey
Love the one you're with, Love the one you're with,
Love the one you're with, Love the one you're with.
