

Sit Down, I Think I Love You

Stephen Stills

Sit down I think I love you
Anyway I'd like to try
I can't stop thinkin of you
if you go i know ill cry
if you want someone to love you
then baby make it me
its not much im askin of you
just try me and youll see

baby can't you see that i'm a desparate man
I get high just a thinkin about you

you know what they say about the bird in the hand
and thats why i aint livin without you.
