

## Stateline Blues

Stephen Stills

Fancy Dan, gamblin' man  
Top hat of the peanut man  
Talk about your pot of gold  
With a silver linin'

Tumblin' dice, hit it twice  
Boats and the flushes, they sure look nice  
On a pot of gold with a silver linin'

State line give you hard times, stay too long  
Goodbye, pretty women  
I ain't stayin' on, come on

Get a hunch, bet a bunch  
Come to gamble, better pack a lunch  
For a pot of gold with a silver linin'

Less you bet when you stayin' in  
The more you lose even when you win  
On a pot of gold with a silver linin'

You don't know when to stop  
Lady Luck, she gonna see you're taught  
That there ain't no pot of gold and no silver linin'

Easy money can make ...  
Come too quick turn a good man bad  
For a pot of gold with a silver linin'

Gamblin' man, Fancy Dan  
Top hat of the peanut man  
Talk about your pot of gold  
In the silver linin'
