## **Neon Beanbag**

I'm sad to see that you are sad I'm sad to see that you are sad But there's nothing to be sad about Really nothing to feel bad about There she was standing peacefully Sending the message through telepathy Way beyond the speculation Furthest away from any condition But there's nothing to be sad about Really nothing to feel bad about There she was standing peacefully Sending the message through telepathy Way beyond the speculation Furthest away from any condition Here to pacify, connected to joy Here to pacify, connected to joy

## Stereolab
