

## Texas Beauties

Steriogram

I cant believe what i've found  
when i first came to town  
this scenery's got me shakin  
what do i do now  
I'm just a foreign guy  
my accent's kinda shy  
Austin Texas i think i'm finally home

We love texas beauties,  
come on shake your booty  
show us how you dance in your cowboy boots

i've never seen such a site  
this is a visual delight  
its got me shaking to shake, shake it ah, shake it baby  
i feel so out of my league  
but here it seems not to be  
now i've been ruined for life

I cant believe what i've found  
when i first came to town  
this scenery's got me freakin  
what do i do now  
I'm just a foreign guy  
my accent's kinda shy

Texas beauties, hope to see you next time

We love texas beauties,  
come on shake your booty  
show us how you dance in your cowboy boots

Girls be strong  
i wont take long  
you'll find me there  
and we'll both share

We love texas beauties,  
come on shake your booty
