

Kings Shall Bow

Steve Green

They mock His name
And slight His word as if He were a fable
They taunt my faith
And scorn me as if I were a fool
But feeble is their reproof
And firm is the final truth
That all their slandering
Doesn't change a thing
For even at this very hour
If the Father pleases

Kings shall bow and adore
And nations kneel down before Him
And every tongue confess
That Jesus Christ is Lord
Jesus Christ is Lord
Jesus Christ is Lord

A fallen world sinks deeper still in shameless degradation
The crowds increase with those who sin and yet seem to prevail
But saints fight the faithful fight
Soon wrong will be made right
And every suffering sacrifice
For the cause of Christ
Will be rewarded on that day
When at the name of Jesus...

Kings shall bow and adore
And nations kneel down before Him
And every tongue confess
That Jesus Christ is Lord
Jesus Christ is Lord
Jesus Christ is Lord

Jesus Christ is Lord

Kings shall bow and adore
And nations kneel down before Him
And every tongue confess
That Jesus Christ is Lord
Jesus Christ is Lord
Jesus Christ is Lord

Jesus Christ is Lord
Kings shall bow and Christ is Lord
