

## Ever Changing Times

Steve Lukather

As the sun breaks down through the auburn haze to an  
empty town  
All the rusted cars, the dissarray, not a soul around  
It's the end result of a poison past, and it won't be  
long  
Till there's no one left to eat or breathe  
That's the road we're on

So, line up and follow the fools  
Or stand up and shout out the truth

These are ever changing times  
Full of every danger sign  
And the only hope for us to survive  
Is to wipe away the lies  
Every tear from every eye  
Every woman, man, and child realize (recognize)  
These ever changing times

All the sounds of war ringing in the air all around the  
world  
And the endless game leaving no one spared when the  
flag's unfurled  
And the ground that's gained is the ground that's lost,  
making both sides lose  
And the price that's paid is the highest cost, 'cause  
it's me and you

So, line up and follow the fools  
Or stand up and shout out the truth..don't you know

So, line up and follow the fools  
Or stand up and shout out the truth..don't you know
