

# Freedom

Steve Lukather

You got my pride  
Hanging out of my bed  
You mess with my life  
So I bought my lead

Even mess with my children  
And you're screaming at my wife  
Get off of my back!  
If you wanna get out of here alive

Freedom, freedom  
Give to me  
That's what I need  
Freedom, freedom  
To live  
Freedom, freedom  
So I can give

You got my heart  
Speaking electric water  
You got my soul  
Screaming and hollering

You know you hooked my girlfriend  
You know the drug store man  
Well I don't need it now  
I'm just trying to slap it out of her hands

Freedom, freedom  
Give to me  
That's what I need  
Freedom, freedom  
To live  
Freedom, freedom  
That's what I need

You don't have to  
Say that you love me  
If you don't mean it  
You'd better believe

If you need me  
Or you just wanna bleed me  
Better stick in your dagger  
Someone else  
So I can leave, set me free!

Yeah, she's right  
Straight ahead  
Yep...straight up there  
Freedom, so I can live  
Freedom, so I can give...

Keep on pushing straight ahead...
