Well don't you let nobody turn you 'round Turn you 'round, turn you 'round Well don't you let nobody turn you 'round You got to keep on walkin', keep on talkin' Marchin' to the freedom land

Well don't you let nobody turn you 'round Turn you 'round, turn you 'round Well don't you let nobody turn you 'round You got to keep on walkin', keep on talkin' Marchin' to the freedom land

Well don't you let the policeman turn you 'round Turn you 'round, turn you 'round Well don't let the policeman turn you 'round You got to keep on walkin', keep on talkin' Marchin' to the freedom land

Well don't let the politician turn you 'round Slow you down, slow you down Well don't let the politician slow you down You got to keep on walkin', keep on talkin' Marchin' to the freedom land
