## **Midnight Train**

## **Steve Miller Band**

Woooo oh oh oh oh oh whoa Woooo oh oh oh oh ohh whoa In the middle of the night You're all alone, no one is in sight You don't have to worry, don't you be sad Cause I'm the best friend that you ever had

You know you really got nothin' to lose Just pick up the phone and get rid of those blues

Coming to you baby on a midnight train I'll be knocking on your door, I'll be calling out your name You don't need to worry, it'll be alright Cause the midnight train is coming to ya by the morning light

Woooo oh oh oh oh oh ohh whoa Woooo oh oh oh oh oh ohh whoa Woooo oh oh oh oh oh ohh whoa Woooo oh oh oh oh oh ohh whoa

When you're miles away and you're far from home Don't you feel down, don't you feel alone It doesn't matter what you're going through Just remember I'll be there for you

You know you really got nothing to lose Just pick up the phone and get rid of those blues

Coming to you baby on a midnight train I'll be knocking on your door, I'll be calling out your name You don't need to worry, it'll be alright Cause the midnight train is coming to ya by the morning light

Woooo oh oh oh oh oh ohh whoa Woooo oh oh oh oh oh ohh whoa Woooo oh oh oh oh oh ohh whoa

As time passes, passes us by We're in the light for a blink of an eye It ain't no lie, you know that it's true Pick up the phone and I'll be there for you

You know you really got nothing to lose Just pick up the phone and get rid of those blues

Coming to you baby on a midnight train I'll be knocking on your door, I'll be calling out your name You don't need to worry, it'll be alright Cause the midnight train is coming to ya tonight

Coming to you baby on a midnight train I'll be knocking on your door, I'll be calling out your name

Coming to you baby on a midnight train I'll be knocking on your door, I'll be calling out your name Coming to you baby on a midnight train I'll be knocking on your door, I'll be calling out your name
