

Tell Me What's The Reason

Steve Miller Band

Tell me what's the reason you keep on teasin' me?
Tell me what's the reason you keep on teasin' me?
You say that you don't love me but you just won't let me be

Tell me what's the reason that you do the things you do?
Tell me what's the reason you do the things you do?
You say that you don't love me, stop breakin' my heart in two

Well, I get up in the mornin' and I'm feelin' kinda good
Hopin' that my baby would do the things she should
I'd take her in my arms and hold her real tight
All she wants to do is start another fight

Tell me what's the reason you keep on teasin' me?
Said that you don't love me but you just won't let me be

Hit me

Well, I get up in the mornin', I'm feelin' kinda good
Hopin' that my baby would do the things she should
I'd take her in my arms and hold her real tight
All she wants to do is start another fight

Tell me what's the reason you keep on teasin' me?
You say that you don't love me but you just won't let me be
